**Friday, February 26, 2021**

1:00 – 2:45 p.m. **Session 2: Unfogging the Future of U.S. Arbitration Law**

*2020 was significant for international arbitration-related case law developments in the United States, from circuit splits that caught the attention of the U.S. Supreme Court to decisions that may well be ripe for Supreme Court consideration this year. This panel will address recent U.S. arbitration law developments and provide clarity on topics ranging from the use of 28 U.S.C. § 1782 to seek discovery in aid of international commercial arbitration to delegation of the arbitrability question to enforcement of ICSID awards through U.S. courts.*
